

About the Conference

The School of Economics and Commerce of Kalinga Institute of Industrial Technology (KIIT Deemed to be University), Bhubaneswar, Odisha & Bhubaneswar City Knowledge Innovation Cluster Foundation, an initiative of the Office of the Principal Scientific Adviser (PSA) to the Government of India is going to organize Globelics-IndiaLICS International Conference at KIIT Deemed to be University on September 20-21, 2024 (Friday-Saturday).

IndiaLICS is the India chapter of Globelics, an international network of scholars who apply the concept of Learning, Innovation and Competence building System (LICS) as a framework for promoting inclusive and sustainable development in developing countries, emerging economies, and societies in transition.

The Conference aims to be multidisciplinary in its approach by including scholars, practitioners, policy makers and development/civil society organizations. It would also showcase startups across various sectors and regions including from rural economy. Although the focus is on India lessons from other developing and developed countries shall be discussed in a comparative perspective.

- ▶ Papers shall be invited for presentation at the Conference and peer reviewed before acceptance.
- ▶ The Conference also invites papers on case studies of innovation clusters, technology business incubators, startups, etc.
- ▶ The Conference intends to bring out edited books through reputed publishers and special journal issues from selected papers presented.
